**F. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES**

*1. Procedures for reviewing, updating, modifying, or terminating agreement:*

When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments, selected by their chairpersons and/or program directors.

*2. Procedures for evaluating agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:*

Each year New York City College of Technology will provide BMCC with the following information: a) the number of BMCC students who enrolled and b) the aggregate GPA of these enrolled students.

*3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, websites, etc.:*

This articulation agreement will be publicized on BMCC's website, and the New York City College of Technology's website. Transfer advisors at BMCC will promote this agreement with eligible students. BMCC students who plan to transfer into the Healthcare Policy and Management B.S. degree program at New York City College of Technology are advised to choose the listed program requirements indicated in this document in order to satisfy the requirements for the A.S. degree in Public Health at BMCC and to ensure that the maximum number of credits are transferred to satisfy Healthcare Policy and Management B.S. degree requirements at New York City College of Technology. Refer to the college website for a list of the general requirements for the A.S. degree.
