E. Articulation Agreement Follow-Up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating agreement:

Kingsborough Community College and New York City College of Technology will review implementation of the agreement every four years, or as soon as a program has undergone revisions, to ensure that students are adequately informed of the program and to identify issues requiring attention. When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments or programs, selected by their Chairpersons and program directors.

2. Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success:

Each year New York City College of Technology (City Tech) will provide Kingsborough Community College (KBCC) the following information: a) the number of KBCC graduates who applied to the program; b) the number of KBCC students who were accepted into the program; c) the number of KBCC students who enrolled; d) the aggregate GPA of these enrolled students at City Tech.

3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc.:

- This articulation agreement will be publicized on the Kingsborough Community College's and New York City College of Technology websites.
- Transfer advisers at KBCC will promote this agreement with eligible students.

Effective Date: Fall 2015
