F. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES

1. Procedures for reviewing, updating, modifying or terminating agreement:

LCC and NYCCT faculty will review and analyze the strength of the curriculum and the success of students on an annual basis as part of their annual assessment activities. Modifications will be made as required.

When either of the programs undergoes changes, this articulation agreement will be reviewed and revised as necessary by appropriate faculty from each institution.

2. Procedures for evaluating the agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:

The CUNY Institutional Research Database will be used to track performance (in terms of GPA) and persistence (in terms of retention) of all LCC students who transfer to City Tech under this agreement

3. Sending and receiving college procedures for publicizing the agreement, e.g., college catalogs, transfer adviser, websites, etc.:

LCC and NYCCT will collaborate in publicizing this agreement on their websites. They will share brochures and other marketing materials including web-based promotions. Transfer advisors will be made aware of this agreement and will have available all necessary materials to publicize the agreement to the students with whom they work.

It is also understood that the Human Services Department of LCC will identify students who wish to participate in the articulation, and will recommend the Human Services B.S. program at New York City College of Technology to those who successfully complete the human services curriculum.
