3. Click on “Guest Users”.

NEW YORK CITY COLLEGE OF TECHNOLOGY

Registration

You are attempting to connect to a secured CityTech network...

Laptops, desktops and devices with a non-mobile operating system (e.g. MS Surface) are required to meet specific security policies prior to connecting. If you are attempting to connect to the NYCCT Wireless network, please ensure your device meets policy.[Read more>](#)

Please select one of the following options:

CITYTECH FACULTY, STAFF AND STUDENTS
Faculty, Staff and Students.
