

Navigate Category Guide

Academic Standing Categories

Academic Alert	Student has failed to meet the College's minimum GPA standard, during their first 18 attempted credits/ equated credits of coursework. Academic Alert is provided only once during a student's college career. Students who do not meet the College's minimum cumulative GPA standard at the end of the Academic Alert semester will be placed on academic probation.
Academic Probation	Student has failed to meet the College's minimum cumulative GPA standard, is not currently on Academic Probation, and is no longer eligible for Academic Alert. Students on Academic Probation who fail to meet the College's minimum cumulative GPA standard at the end of the semester or do not attain a minimum semester GPA of 2.25 for that semester will be academically dismissed. Students who attain a 2.25 semester GPA will be allowed to remain on Academic Probation for another semester (Continued Probation).
Continued Probation	Student is on Academic Probation (was on probation prior semester and earned a semester GPA 2.25 or above).
Good Academic Standing	Student meets the College's minimum GPA standard. If they fall below the GPA standard at the end of the current semester they will be placed on Academic Probation.
Readmit-Fresh Start	Student was previously dismissed, and has been readmitted under the Fresh Start program based on their earning an associate's degree from another college. They come back in Good Standing (0.00 GPA).
Reinstated by Committee	Student is on Academic Probation. Student has been previously dismissed from the college and is now in their first semester back following reinstatement by the Committee on Course and Standards. Students who are reinstated must meet the educational plan mandated by the appeals committee or risk being dismissed again. They are limited to a maximum of 7 credits for the semester.
