B. ADMISSION REQUIREMENTS FOR BROOKLYN COLLEGE PROGRAM

A student must have a 2.5 average or better (or departmental approval otherwise) and have completed all requirements for the AA in Liberal Arts (LAA) at New York City College of Technology (City Tech).

Students who wish to transfer but do not meet all of the above requirements or are unable to enroll within two years after graduation will receive admission consideration under Brooklyn College's standard transfer credit policies.

Total transfer credit granted toward baccalaureate degree: <u>60</u>
Total additional credits required by senior college to complete baccalaureate degree: <u>60</u>

In order to satisfy the BA degree requirements, students must select the appropriate general education common core and flexible core courses to satisfy CUNY pathway requirements for the degree program.

BC and City Tech agree to offer the courses noted in the BA program in Psychology (BC) and AA in Liberal Arts program (City Tech), as described in this agreement, and as outlined in each college's course catalog. Each college agrees to notify the other if course numbers, content, or catalog descriptions change. Furthermore, the parties involved understand that any change in course number, content, or catalog description may require a modification to this agreement.

C. COURSE EQUIVALENCIES AND TRANSFER CREDIT AWARDED

Students transferring from City Tech with an AA in Liberal Arts shall enter the BA Program in Psychology at Brooklyn College as juniors. The following courses, totaling 60 credits, will be transferred to Brooklyn College.
