## F. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES

### 1. Procedures for reviewing, updating, modifying or terminating agreement:

Guttman Community College faculty and NYC College of Technology faculty will review and analyze the strength of the curriculum and the success of students on an annual basis as part of their annual assessment activities. Modifications will be made as required.

When either of the programs undergoes changes, this articulation agreement will be reviewed and revised as necessary by appropriate faculty from each institution.

### 2. Procedures for evaluating the agreement, i.e., tracking the number of students who transfer under the articulation agreement and their success:

The CUNY Institutional Research Database will be used to track performance (in terms of GPA) and persistence (in terms of) of all Guttman Community College students who transfer to NYCCT under this articulation agreement. **Sending and receiving college procedures for publicizing the agreement, e.g., college catalogs, transfer adviser, websites, etc.:**

Guttman Community College and New York City College of Technology will collaborate in publicizing this agreement on their websites and in their catalogs. They will share brochures and other marketing materials including web-based promotions. Transfer advisors will be made aware of this agreement and will have available all necessary materials to publicize the agreement to the students with whom they work.

It is also understood that the Department of Human Services at Guttman Community College will identify students who wish to participate in the articulation, and will recommend the Human Services program at New York City College of Technology to those who successfully complete the human services associate curriculum.
