

**Now Available
to all in the
Student Wellness Center**

**NYC.GOV/
ACCESSNYC**
BENEFIT INFORMATION. ONE PLACE.

Think You Might Be Eligible for Benefit Programs But Don't Know Where To Go?

ACCESS NYC is a website that allows anyone to **anonymously and privately be pre-screened for eligibility in over 35 city, state, and federal assistance programs**, find out how to apply, print out pre-filled application forms and instructions, and search for the nearest office locations to apply. The website and application is available in seven different languages and open to anyone in the City tech community—students, faculty, and staff.

Come in to the Student Wellness Center (P-104) during business hours and try **ACCESS NYC**. For more information, contact the Student Wellness Center at (718) 260-5910 or email wellness@citytech.cuny.edu.
