Legends:

- (a) The Department of Accounting and Business Law in St. Francis College only allows 4 courses to be transferred from a junior college. ACC 2301 Intermediate Accounting I and ACC 2401 Intermediate Accounting II cannot be transferred.
- (b) The student needs to take both ACC 2311 Costing Accounting I and ACC 2411 Cost Accounting II to be eligible to transferred as ACC 3301 Cost Accounting in St. Francis College. If the student only takes ACC 2311 Cost Accounting I, it is non-transferrable.

- ** These courses are counted toward the St. Francis Core Curriculum requirements, total of 12 credits.
- *** If the student takes ECON 1101 Macroeconomics, the 3 credits in US Experience are transferred to ECO 1201 Principles of Macroeconomics, which is counted toward the major curriculum. If the student takes other courses, the 3 credits will be transferred to the core curriculum in the general education requirements. Thus, the total credits transferred to the major curriculum will be either 32 credits or 35 (32 from * above + 3 from ***) credits, and the core curriculum will be either 18 (12 from ** above + 6 from ***) credits or 15 (12 from ** above+3***) credits.
