4. If you withdraw from all your classes in **Summer 2015** and have valid awards on file before you withdrew, your Federal Title IV awards will be prorated. Your eligibility for payment will be based on the credits for which you were enrolled and the number of days you attended the classes. You might owe money to the college as well as incur liability for any outstanding balance.

5. **Aid for Part Time Study (APTS)** is not offered to the students for the summer. Students can receive these awards in the Fall and Spring semesters only.

**TUITION CHARGES:**

- **Matriculated New York State Residents** are billed $260 per credit.
- **Matriculated Non-Residents** are billed $535 per credit.

**CONTRIBUTORY CREDITS** are remedial and non-remedial courses and other academic activities that are recognized as “creditable” toward fulfilling the requirements for a specific degree.

Information for Summer Financial Aid

TUITION ASSISTANCE PROGRAM (TAP)

If you wish to receive a TAP award for the Summer 2015, the following two applications must be completed:

- The 2015-2016 Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov; and
- The 2015-2016 TAP Application online through the link to the “Optional feature—start your state application” found on the “FAFSA on the Web Submission Confirmation” page or you can apply by going to www.hesc.ny.gov after your FAFSA is processed.

You can receive a Summer TAP award if you meet all of the following conditions:

- Be full-time in Spring 2015, enrolled in at least 12 **contributory credits
- Completed a total of 24 **contributory credits in the prior two consecutive semesters
- TAP eligibility is not exhausted
- Have a TAP Award for Summer 2015
- Register for a minimum of six (6) **contributory credits, of which three credits are non-remedial credits for Summer 2015 (combination of all credits for all summer sessions)
- Meet the program pursuit and academic progress requirements. See SPECIAL NOTE below.

Please be aware that you can receive a maximum of eight (8) TAP awards for undergraduate study, however, you can only receive a maximum of six (6) TAP awards while enrolled in a two-year degree program. You must be enrolled in a four-year degree program to receive the 7th and 8th TAP awards.

FEDERAL PELL GRANT

Pell Grant funding for summer study can come from either the 2014-2015 OR 2015-2016 Award Year, but not both. If you have remaining Pell Grant funds from your 2014-2015 award year, we will automatically apply the appropriate remaining Pell Grant funds to your bill. These funds may not cover the full cost of the tuition expense: for example, if you registered for six credits for summer, but only have remaining Pell Grant funds for $716, that is all that can be applied to your bill.

If you do not have remaining 2014-2015 Pell Grant funds, you may choose to transfer your Spring 2016 award to fund Summer 2015. This will result in your Pell grant being reduced for the Spring 2016 semester.

If you choose to request funding from the 2015-2016 Pell Grant award year, you must have a validated 2015-2016 Pell award on file with our office, and must complete the SUMMER 2015 FEDERAL PELL GRANT PAYMENT REQUEST FORM for summer Pell to be applied to your bill.

If you are eligible for a PELL award for the Summer 2015, your award will reflect on your Bill/Schedule of Classes. Final certification of your PELL award is required and will be based on the total number of credits completed for all 2015 Summer sessions with completion grades of A, B, C, D, F or R. Eligibility for the award assumes that you will complete the courses for which you registered. No estimated PELL awards will be used toward payment of summer session classes.

Make sure that both the 2014-2015 and 2015-2016 FAFSA applications are completed, and all problems are resolved before summer session classes begin. Please be aware that you can only receive a maximum of 12-full time semesters of Pell Grant for undergraduate study.

FEDERAL DIRECT LOANS

You can apply for a Federal Direct Loan for Summer 2015, but the loan amount will be considered as part of the loan maximum for the 2015-2016 academic year.

To apply for the loan, you must complete the 2015-2016 FAFSA AND the 2015-2016 William D. Ford Federal Direct Loan Processing Form.

For the loan to be processed you must:

- Be enrolled for at least six (6) credits or equivalent hours and should remain in six credits or equivalent hours until the end of the summer session.
- Have a valid 2015-2016 Pell Grant Student Aid Report on file at City Tech.
- Must have completed the online entrance counseling session requirement. (for first time borrowers)

Summer loans will only be paid when you have completed six credits.

If you are a first time borrower at City Tech, you will need to sign the “Master Promissory Note” online. You will need to go to www.studentloans.gov and follow the 9 steps to complete the process. Then, all borrowers will receive a disclosure statement which will show the actual amounts certified and the approximate disbursement dates for the Subsidized and Unsubsidized loans. You should keep the disclosure statement for your records.

SPECIAL NOTES:

1. To be eligible to receive a TAP, PELL award and Direct Loans, students must be in compliance with the appropriate academic progress standards, as stated in the New York City College of Technology Catalog at www.citytech.cuny.edu under Financial Aid. This information is also available at the Financial Aid Office, Room NG-13.

2. If you drop or withdraw from some or all of your classes in summer, your loan or awards may be reduced or cancelled. In those cases, you are expected to repay the outstanding tuition balance before you will be permitted to register for the Fall 2015 semester.

3. New York State and federal financial aid programs will not pay for courses which you never attended and received a grade of “WN”. (cont. on next page)
