About our club

The purpose of the Chemistry Club is to stimulate interest in chemistry and chemical and health-related professions. It provides interaction among students with our faculty, peers, and guests in many areas of chemistry study. Guest speakers will be giving seminars throughout the semester on the admission process for Dental, Medical and Pharmacy Schools and what is trending in health related fields. Please join our Club and take advantage of these offerings. Membership in the Chemistry Club will enhance your academic resume.

Activities

Things we talk about during club hours:

- Internships
- Scholarships
- Workshops/Seminars
- Classes
- Research

Reminders

Club Meetings are every Thursday during Club hours from **12:45 pm – 2 pm in Room A506 or A406** – Room notification will be sent prior to scheduled meetings
