PART ONE: INTRODUCTION AND BACKGROUND

This report is an annual update of the Affirmative Action Plan (AAP) for federal contractors. The U.S. Department of Labor’s Office of Federal Contract Compliance Programs (OFCCP) oversees Affirmative Action Plan requirements for federal contractors. This unit is one of CUNY’s Affirmative Action Establishments.

This plan reflects requirements for implementing:

- Presidential Executive Order (EO) 11246, addressing gender and federally protected racial/ethnic groups
- The Vietnam Era Veterans’ Readjustment Assistance Act of 1974 (VEVRAA), as amended, for protected Veterans
- Section 503 of the Rehabilitation Act of 1973, as amended, for Individuals with Disabilities.

Some aspects of this plan also reflect state and local regulations, guidelines for public entities, CUNY Board resolutions, and CUNY policy.

The employee census date is June 1, 2021. The previous reporting year was June 1, 2020 – May 31, 2021. The program year for this plan is September 1, 2021 – August 31, 2022.

We address disruptions due to the 2020-2021 COVID-19 outbreak later in this report.

This Plan is available for public review as described on the title page.

We produce a separate Affirmative Action Plan for Italian Americans. CUNY’s Chancellor designated Italian Americans as a protected group in 1976.

OVERVIEW

History

New York City College of Technology (City Tech or the College) has been engaged in technology-based education since its founding in 1946 as the New York State Institute of Applied Arts and Sciences. In 1953, the institute was renamed New York City Community College, becoming a part of The City University of New York (CUNY) in 1964. Voorhees Technical Institute, established in 1881 as New York Trade School, was incorporated into the College in 1971. The College was designated the University’s college of technology in 1980 and renamed New York City Technical College. In June 2002, it became New York City College of Technology. It is the sole college of technology of CUNY and the largest public college of technology in the Northeast.

Accreditation

The College is authorized by the New York State Board of Regents to offer thirty-two baccalaureate programs (bachelor of technology, bachelor of science, bachelor of science in education, bachelor of fine arts, and bachelor of architecture), twenty-nine associate programs (associate in arts, associate in science, and associate in applied science degrees), and five certificate programs, with more degree programs under development. These programs include applied mathematics and sciences, architectural technology, biomedical informatics, business, communication design, computer systems technology, data science and data analytics, engineering technology, entertainment technology, health care, health sciences and administration, hospitality management, human services, law and paralegal studies, professional and technical writing, teacher education, and the liberal arts and sciences. In addition to its accreditation by the Middle States Commission on Higher Education, the College maintains individual accreditation from professional and disciplinary bodies for many of its programs.

Mission

New York City College of Technology is a baccalaureate and associate degree-granting institution committed to providing broad access to high quality technological and professional education for a diverse urban population. City Tech's distinctive emphasis on applied skills and place-based learning, built upon a vibrant general education foundation, equips students with both problem-solving skills and an understanding of the social contexts of technology that make its graduates competitive. A multi-disciplinary approach and creative collaboration are hallmarks of the academic programs. As a community, City Tech nurtures an atmosphere of inclusion, respect, and open-mindedness in which all members can flourish.

As a result of a City Tech education, students will:

- Develop knowledge from a range of disciplinary perspectives, and hone the ability to deepen and continue learning.
- Acquire and use the tools needed for communication, inquiry, analysis, and productive work.
- Work productively within and across disciplines.

ORGANIZATION CHART

Appendix A displays organizational charts.

RELEVANT POLICIES

As a unit of The City University of New York (CUNY), we adhere to federal, state, and city laws and regulations on non-discrimination and affirmative action, including: Executive Order 11246, as amended, Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Section 402 of the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, as amended, the Age Discrimination Act of 1975, New York State Human Rights Law and New York City Human Rights Law.

Protected groups identified in Executive Order 11246 are American Indian or Alaska Native, Asian, Black or African American, Hispanic or Latino, Native Hawaiian or Other Pacific Islander, Two or More Races, and Women. Additionally, the Chancellor of CUNY designated Italian Americans as a protected group in 1976 and CUNY prepares a separate Italian American Affirmative Action Plan.

CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website.

Equal Opportunity and Non-Discrimination Policy

The City University of New York ("University" or "CUNY"), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University's policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

Affirmative Action Policy

CUNY's original Affirmative Action Policy of May 28, 1985 is part of its Manual of General Policy.

ARTICLE V FACULTY, STAFF AND ADMINISTRATION

Policy 5.04 - Affirmative Action:

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

Sexual Misconduct Policy

CUNY's Policy on Sexual Misconduct addresses sexual harassment, gender-based harassment and sexual violence. It outlines procedures applicable to students and employees for addressing complaints.

Every member of The City University of New York ("CUNY") community, including students, employees and visitors, deserves the opportunity to live, learn and work free from Sexual Misconduct (sexual harassment, gender-based harassment and sexual violence). Accordingly, CUNY is committed to:

Defining conduct that constitutes prohibited Sexual Misconduct;

Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct and a commitment that any complaints will be handled respectfully;

Promptly responding to and investigating allegations of Sexual Misconduct, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;

Providing ongoing assistance and support to students and employees who make allegations of Sexual Misconduct;

Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this policy, as well as a "students' bill of rights" and implementing training and educational programs on Sexual Misconduct to college constituencies; and

Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of incidents.

This is the sole policy at CUNY addressing Sexual Misconduct and is applicable at all college and units at the University. It will be interpreted in accordance with the principles of academic freedom adopted by CUNY's Board of Trustees.

Other Policies

It is our policy to recruit, employ, retain, promote, and provide benefits to employees and to admit

and provide services for students without regard to race, color, national or ethnic origin, religion, age, sex, sexual orientation, gender identity, marital status, disability, genetic predisposition or carrier status, alienage, citizenship, military or veteran status, unemployment status or status as victim of domestic violence.

Management reaffirms its non-discrimination policies annually. **Appendix B** contains the most recent reaffirmation letter, issued on October 22, 2021.

Other important policies available on CUNY's "Policies and Resources" webpage include:

- Campus and Workplace Violence Policy
- Domestic Violence and the Workplace Policy
- Procedures for Implementing Reasonable Accommodations and Academic Adjustments

CUNY campuses report crime statistics, including statistics relating to sexual violence under the federal Jeanne Clery Act. Information is available from the campus Office of Public Safety, 300 Jay Street, Namm 109 or at:

RESPONSIBILITY FOR IMPLEMENTATION

While the entire community participates in promoting diversity and inclusion, we have assigned certain specific responsibilities.

The President

President Russell Hotzler oversees Affirmative Action and diversity programs to assure compliance with federal, state, and city laws, rules and regulations and university policies.

The President designates personnel to manage Affirmative Action, diversity and compliance, including a Chief Diversity Officer (CDO), 504/Americans with Disabilities Act (ADA) Coordinator and Title IX Coordinator. The President ensures these personnel have authority, staffing, and other resources to fulfill their assigned responsibilities.

The President communicates commitment to equal employment opportunity, issuing an annual reaffirmation of this commitment, and issues required reports, including this Affirmative Action Plan.

Chief Diversity Officer

The President has designated Patricia A. Cody as Chief Diversity Officer (CDO) and Responsible Official who:

- Provides confidential consultation for, investigates and resolves discrimination/harassment complaints
- Distributes policies, notices and revisions, and integrates them into training programs, search committee orientations, websites, and other communications
- Evaluates Affirmative Action programs and initiatives
- Prepares and communicates Affirmative Action Plan reports
- Consults with hiring teams and managers on recruitment and selection, overseeing recruitment plans and effective recruitment/selection strategies
- Participates in CUNY initiatives promoting diversity and inclusion.

Officials

Executives, department chairpersons, managers, and supervisors are critical partners in Equal Employment and Affirmative Action programs. They help ensure compliance with regulations and policies, foster an inclusive environment, and help develop and implement the Affirmative Action Plan.

Committee(s) on Diversity and Inclusion

A standing committee advises the President on diversity and affirmative action, reviews the impact of policies on the governance plan, develops and implements strategic diversity plans, and promotes programs to reflect pluralistic values and goals.

Committee members in this Reporting Year were:

- Patricia A. Cody, Chief Diversity Officer
- Brenda Alexander, Athletic Director, Athletics & Recreation
- Justin Vazquez-Poritz, Dean, School of Arts and Sciences
- Jeannette Espinoza, Assistant Professor, Law & Paralegal Studies
- Anita Giraldo, Assistant Professor, Communication Design
- Ryan Chin, Deputy Title IX Coordinator and Diversity Specialist
- Iva Williams, CUNY Office Assistant to Dean of Arts & Sciences

University Management

CUNY's University Office of Recruitment and Diversity (ORD) establishes job groups and report parameters, and reports summary statistics. ORD sponsors university-wide diversity programs described in this plan. ORD also maintains systems support for data collection (including self-identification data) and job posting.

IMPACT OF COVID-RELATED EVENTS

On March 15, 2020, CUNY Chancellor Felix Matos-Rodriguez announced that CUNY campuses and non-essential personnel were transitioning to remote learning and work for the remainder of the academic year. Remote learning continued at the College for the entirety of the Reporting Year. CUNY began a partial return in late summer 2021. The transition and resulting shifts in priorities affected the university's operations in many ways. Many hiring plans at the College were canceled or postponed. At the College, public events and other activities which were unable to be conducted remotely were also canceled.

Certain practices have continued unchanged. The Chief Diversity Officer has continued work on all major functions including:

- Complaint intake and investigation
- Accommodations for Individuals with Disabilities
- Recruitment advertising and outreach
- Oversight of hiring, advancement and separation practices
- Consulting to management

PART TWO: DATA AND ANALYSIS

We analyze workforce data as mandated to promote a complete assessment, covering:

- Workforce Analysis (Evaluating employment within organizational units/departments)
- Analysis of job groups and academic disciplines
- Comparisons with labor market availability measures (utilization analysis)
- Reviews of Personnel Actions, Recruitment and Hiring, and Compensation.

We rely on methodologies provided by the US Department of Labor's Office of Contract Compliance Programs (OFCCP), in particularly, the *Educational Institutions Technical Assistance Guide*.

DATA SOURCES

This section describes how CUNY prepares data for this report.

Employee Data

On June 28, 2021, we extracted data on full-time employees active as of June 1, 2021 from CUNY's system of record, CUNYfirst. We include individuals on most paid leaves, including medical leave and fellowship/sabbatical leave. We do not include individuals on terminal leaves such as retirement leave, student workers (including Graduate Assistants) or individuals employed separately by CUNY's Research Foundation.

We invite employees to self-identify gender, race/ethnicity, veteran status, and disability status. Employees may update selections at any time on an Employee Self-Service portal. We last conducted a self-identification canvas in May 2018 via email. We provided an FAQ document to explain the reasons for collecting this data, and stressed that providing it is voluntary.

We also invite job applicants to self-identify on the job application portal.

Self-Identification Categories

We use the following categories to evaluate representation by race/ethnicity for the federal Affirmative Action plan:

- Total Minorities (all groups other than White, reported as a single category)
- Asian (consolidates Asian, Hawaiian, and Other Pacific Islander)
- Black/African American
- Hispanic/Latino
- White (not a protected group).

American Indian/Alaska Native and Two or More Races are included under Total Minorities but not separately reported.

If a person identifies as both Hispanic/Latino and some another group, they are recorded as Hispanic/Latino, and not as Two or More Races.

Consistent with long-standing agreements, we ask employees to self-identify Italian American status, and create a separate Italian American Affirmative Action Plan.

To retain overall comparisons to individuals in federal categories and to prevent double counting, Italian Americans are not included in Total Minorities in either plan. If individuals indicate both Italian American and federally protected ethnicity categories, we default to the federally protected category, to prevent double counting.

We use federally mandated gender categories of male and female for purposes of this plan. Our system captures non-binary general identification, but only individuals specifically identifying as “female” are included in the federally protected gender category.

Of 922 employees, 0 employees did not identify a gender and 0 employees did not identify a valid race/ethnicity category. Anyone who did not specify a gender and/or ethnicity is included in the Workforce Analysis but not assigned to a protected group. 912 employees did not identify a veteran status and 916 did not identify a disability status. Disability and veteran status are priorities for future self-identification campaigns.

Labor Market Source Data

We compare the employee population with the Labor Market from which CUNY would reasonably recruit, train, or promote, by job group. We last updated Labor Market estimates in May 2019.

For internal candidates, we utilized lists of CUNY-wide appointments over the 2017-2018 and 2018 - 2019 periods for weighting and lists of feeder jobs, using the demographics of the candidate groups as of the June 1, 2018 employee census.

For external candidates, we utilized the US Census American Community Survey (ACS), 5-year estimate, 2013-2017 (final), extracted from University of Minnesota’s Integrated Public User Microdata Sample (iPUMS).

For faculty discipline-based estimates, we utilized the US Department of Education’s National Center for Education Statistics’ Integrated Post-Secondary Education Data System (IPEDS) completion data, 2015-2016 (final). We use the Classification of Instructional Programs (CIP) to identify disciplines.

WORKFORCE ANALYSIS

Workforce Analysis is a review of the representation of females and minorities by division, department and title, evaluating diversity by organizational unit rather than job group. We review the data organized by job title in order of rank or salary grade. We also review professorial faculty by tenure status within department. Due to length, Workforce Analysis charts are not included here.

JOB GROUPS, DISCIPLINES, AND MARKET DATA

Job Groups

We analyze data according to groups of jobs with similar duties and qualifications. CUNY establishes job groups and reviews them annually, as detailed in **Appendix C**. A major input is the federal Standard Occupational Classification (SOC) system. We also combine job groups into categories based on the federal EEO-1 categories for some summary reports.

The next two pages provide a summary of staffing by job group, followed by a summary of professorial faculty by rank and tenure status.

Workforce Summary

Academic Disciplines

With few exceptions, CUNY assigns faculty departments to disciplines as per the US Department of Education's Classification of Instructional Programs (CIP).

CUNY analyzes data about College Laboratory Technicians by assigning departments to either a Scientific/Engineering/Technical group or a General group.

Appendix D lists these assignments. This past year, there were no material changes to the discipline assignments.

Labor Market Availability

Labor Market Availability is an estimate used to benchmark utilization of protected groups, by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits (both internally and externally). CUNY last updated Labor Market Availability estimates in May 2019. **Appendix C** and **Appendix D** provide the basis for each calculation and details the factors we use. They cover the weighting of internal and external labor markets, geography, occupational qualifications, degree requirements, and academic discipline assignments.

UTILIZATION ANALYSIS

We compare CUNY's workforce with estimated Labor Market Availability by job group. We evaluate utilization for females, major federal ethnicity categories (Asian, Black/African American, and Hispanic/Latino and Total Minorities).

We evaluate job groups with a minimum of five incumbents, with the caveat that analyzing groups of less than 30 employees may generate less reliable results.

The President's position reports outside of our establishment and is not included.

We report underutilization where the percent of individuals belonging to a protected group is less than 80% below the labor market estimate, and the difference is equal to at least one full-time equivalent employee.

Appendix E details utilization/underutilization in each category (job group and/or academic discipline). We consider job groups and disciplines for which there is underutilization as priorities for placement goals and enhanced outreach when there are hiring opportunities.

Year-to-year variations in underutilization arise from a combination of changes in availability, hires, advancements, and separations. It is usually not possible to pinpoint a single, direct cause. In job groups with small numbers of employees, results may change substantially with small staffing changes.

The following pages summarize staffing and underutilization for each job group.

This is a summary of underutilization of protected groups by Job Group, organized by EEO Category. Only those Job Groups with five or more staff are reported.

This summary compares three measurements, each calculated using the Labor Market Availability estimates in place at that time.

- 2019: Underutilization in the 2019 - 2020 Plan (i.e., based on employee census as of 6/1/2019)
- 2020: Underutilization in the 2020 - 2021 Plan (i.e., based on employee census as of 6/1/2020)
- 2021: Underutilization in the 2021 - 2022 Plan (this plan).

When underutilization does not change year-to-year, the most common reason is that there has not been an opportunity to hire or promote into that particular group.

Underutilization Summary

Utilization, Underutilization, and Placement Goals

Due to budget and COVID-related factors, there was a mandated hiring freeze in place at CUNY for most of the Reporting Year. Accordingly, in compliance with this hiring freeze, the College had de minimis searches and recruiting activities take place. Also, a CUNY Central Office Vacancy Review Board had to approve any searches before they were permitted to proceed. These factors contributed to the College having no full-time faculty hires, only 3 administrative staff hires, and 8 classified staff hires in the Reporting year.

Accordingly, the College's predominantly small amount of underutilization numbers remained mostly the same as those reported in the previous AAP's Reporting Year because of the lack of hiring opportunities. Nevertheless, there was a reduction in underutilization in the following staff and CLT categories: CLT – Other reduced from 1 to 0 in the Asian, Hawaiian or Other Pacific Islander category, Craft workers, Laborer & Helpers reduced from 1 to 0 in the Hispanic or Latino category, and Campus Security Assistant reduced from 2 to 1 in the Hispanic or Latino category.

For Faculty Professoriate categories, there was a reduction in Underutilization in the following disciplines: Biology and Biomedical Sciences, from 2 to 1 in the Hispanic and Latino category, and Health Programs and Related Programs from 4 to 3 in the Asian, Hawaiian or Other Pacific Islander category.

OTHER ANALYSES

Personnel Activity

We review personnel actions for adverse impact. This means that we compare rates of hiring, promotion and termination of employees by gender and ethnicity and note material differences. We review activity for all job groups and report the results here for those groups with a material number of actions and/or applicants. **Appendix F** summarizes job actions, including tenure, by Gender and Ethnicity.

To estimate net changes by job group, we compare employee title changes between two reference dates (June 1, 2020 and June 1, 2021). We use this method to accommodate timing and issues in interpreting system data. This method produces a reasonable estimate but may leave out some actions, such as an employee changing job groups more than once over the year. We note hires, moves to a higher or lower job group, moves within a job group, and separations

Similar to procedures in financial accounting, employees who leave one job group to take a position in another are reported as separated from one group and joining another. We consider transfers between CUNY units as a separation from one campus and a hire in the other.

Federal guidelines state adverse selection may occur when any one group (protected or not) has a selection rate less than 80% of the selection rate of the most-selected group.

Tenure is a permanent status granted to professorial faculty and College Laboratory Technicians. Lecturers are eligible for a similar status, Certificate of Continuous Employment (CCE). Lecturers and College Laboratory Technicians are eligible after meeting service requirements. For professorial faculty, there are extensive reviews resulting in tenure recommendations to the President. We may hire some senior faculty with tenured status.

Appendix F provides details of faculty receiving tenure/CCE status effective during the past plan year, covering those awarded tenure, hired with tenure (includes faculty rehired after long-term leaves), and denied tenure.

For this Reporting Year, all those eligible for tenure were awarded tenure.

Recruiting Activity

CUNY is committed to equitable practices to recruit a diverse and highly qualified workforce. The Chief Diversity Officer reviews applicant data and recruiting outcomes to determine if there is a need to adjust recruiting and outreach plans.

Prior to posting a job vacancy, the Chief Diversity Officer reviews Physical and Mental Qualifications and posting language in general. They also review Recruiting Plans for intended outreach. We post open positions and Civil Services Notices of Exam on our careers page (for faculty, 30-60 days and for staff, 14-30 days).

We invite candidates to self-identify gender, race/ethnicity, disability status, and veteran status and inform them that self-identification is voluntary.

We conduct most faculty and administrative hiring by appointing a diverse Search Committee for initial screening. The Chief Diversity Officer provides an orientation, or “charge”, to committee members on effective selection practices, including practices aimed at reducing potential for bias. The Chief Diversity Officer reviews applicant pools for sufficient representation and certifies pools prior to committee review, and reviews selections again as searches near completion. Committees refer finalist candidates to the hiring manager(s) for a final selection.

Appendix G summarizes recruiting and selection by job group for searches concluded with a job offer between June 1, 2020 and May 31, 2021.

As per federal Internet Applicant guidelines, an “applicant” is someone who applies to a specific opening, has the minimum qualifications, is considered, and does not withdraw. We analyze applicant pools and selection rates for interviews, offers, and hires.

We report all searches resulting in an offer during the previous plan year. For some searches, notably faculty, there is a time gap between offer and start dates. To avoid a lag in reporting, we include searches based on date of accepted job offer, even if the employee has not started work

before June 1. This circumstance explains differences between the personal activity reports and recruitment reports.

Civil Service Hiring

We participated in 3 university-wide hiring pools, with 8 total hires taking place for Classified Civil Service vacancies. Applicants who are pre-qualified based on an examination score indicate their interest in working at one or more units, and each establishment interviews and hires according to Civil Service regulations. We report those applicants expressing an interest in our unit at the hiring pools. CUNY's Office of Human Resources Management administers and validates Civil Service examinations and maintains records of applicants and exam results.

The list of pools is as follows: Campus Peace Officer Hiring Pool – 2/11/21 (4 hires), Mail Message Service Worker – 5/3/21 (2 hires), and Business Data Reporting Analyst – 5/17/21 (2 hires).

Compensation

We develop pay plans according to instructions provided in bargaining unit contracts, Civil Service regulations, Prevailing Wage determinations, and university policies. Plans include the Executive Compensation Plan (ECP), Faculty and Non-Teaching Instructional Staff Pay Plan, Classified Civil Service Plans for Managerial and Non-Managerial Personnel, and Prevailing Wage schedules for Skilled Trades. CUNY's Trustees review and approve all pay plans.

The Chief Diversity Officer reviews overall practices such as:

- Setting of Starting Salaries
- Performance-Based Pay
- Pay Increases Upon Promotion
- Tracking of Compensation Decisions
- Document Retention
- Assignment of Overtime/Additional Assignments.

The Chief Diversity Officer and Human Resources Director discuss compensation best practices and areas of risk with management as may be needed.

PART THREE: ACTION-ORIENTED PROGRAMS

This section provides a qualitative assessment of prior-year goal attainment and details efforts aimed at achieving next year’s goals and addresses:

- Prior-Year Programs
- 2021-2022 Planned Programs
- Ongoing Activities
- Internal Audit and Reporting.

PRIOR-YEAR PROGRAMS

Last year, we undertook the following to support Affirmative Action and create a climate of inclusion:

As noted earlier, events related to COVID-19 limited most implementation plans. Only 3 non-classified searches were completed in the Reporting Year. Thus, Charges and training were greatly reduced.

Summary of Campus Programs, 2020-2021

Program	Impact
Continuation of the CDO’s interactive EEO training sessions of City Tech employees, including managers and supervisors.	Educate City Tech employees, including hiring managers and potential search committee members, on the benefits of workplace diversity and the laws and policies governing fair employment practices. The trainings seem to have had a positive impact on City Tech’s hiring process and inclusive climate, given the positive feedback and discussions during and after the trainings.
CDO charge of search committees – 2 charges conducted by the CDO in the Reporting Year	Sensitize hiring managers and search committee members to check their implicit biases; Provide guidance on laws and policies governing equal employment opportunity; Highlight focus on a candidate’s qualifications for the position. The CDO charge meetings continue to seem to have had a positive impact on City Tech’s hiring process and inclusive climate, given the exchanges during these meetings.

2021-2022 PLANNED PROGRAMS

In this section, we affirm placement goals and key initiatives.

Planned Campus Programs, 2021-2022

Program	Expected Impact
Continue with CDO's EEO training sessions for City Tech employees.	Goal is to further reduce underutilization through an achievable, affordable process.

The College Council Curriculum Committee subcommittee on Diversity & Inclusion in the Curriculum Education – DICE intends to sponsor/conduct several programs open to all faculty members	Goal is to further D & I initiatives to provide faculty with expertise in various disciplines to enhance their advancement opportunities while engaging in offerings for students as a win/win for all.
CDO to continue conducting avoiding implicit bias programs/civility workshops for Faculty Luncheon Series	Goal is to increase attention to D & I behaviors that can affect recruitment and promotional opportunities.

ONGOING ACTIVITIES

CUNY's University Human Resources office lists job vacancies with State Workforce Agencies and Veterans' centers and maintains consolidated advertising programs, including job boards serving Veterans, Individuals with Disabilities, women, and protected minorities. The office maintains accounts for university-wide job posting and outreach, including the Higher Education Recruitment Consortium. It also provides training to Chief Diversity Officers and campus Human Resources personnel.

CUNY utilizes an on-line training program for faculty and staff on sexual harassment prevention and workplace violence prevention; we regularly review training records and follow-up with individuals who have not participated.

INTERNAL AUDIT AND REPORTING

The Chief Diversity Officer posts and distributes notices of policies, new/revised regulations, and similar compliance information, and makes the Affirmative Action Plan available for public inspection. The CDO integrates compliance information into faculty, student and staff training programs.

The Chief Diversity Officer's responsibilities for audits and reviews include:

- Monitoring personnel actions, including new hires, transfers, promotions, and terminations
- Monitoring employee self-identification programs
- Reviewing recruiting outreach and advertising
- Monitoring complaints/incident reports which may indicate underlying trends
- Reviewing personnel practices and the Affirmative Action Plan with management
- Advising management of program effectiveness and providing recommendations for improvement.

The Chief Diversity Officer works with Human Resources staff to assure employment records, including records in CUNY's HR Information System, are complete, accurate, and up to date.

PART FOUR: INDIVIDUALS WITH DISABILITIES AND PROTECTED VETERANS

Federal regulations mandate Affirmative Action plans address hiring and advancement of Individuals with Disabilities and Veterans. This section, as mandated by regulation, covers:

- Equal Opportunity and Non-Discrimination Policy
- Review of Personnel Processes
- Review of Physical and Mental Qualifications
- Reasonable Accommodations
- Harassment Prevention Procedures
- External Policy Dissemination
- Outreach and Positive Recruiting
- Internal Policy Dissemination
- Implementation Responsibility
- Training
- Audit and Reporting System
- Benchmark Comparisons.

EQUAL OPPORTUNITY AND NON-DISCRIMINATION POLICY

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating

with an investigation of a discrimination complaint.

The City University of New York is committed to a policy of equal employment and equal access in its educational programs and other activities. Diversity, inclusion, and an environment free from discrimination are central to CUNY's mission. CUNY posts its policies on non-discrimination, sexual misconduct, and affirmative action on its website. We have posted these policies on the internet.

<https://www.cuny.edu/about/administration/offices/legal-affairs/policies-resources/>

REVIEW OF PERSONNEL PROCESSES

We seek to ensure personnel processes support equal employment opportunity for employees and applicants who are Individuals with Disabilities and/or Protected Veterans. We periodically review practices for potential barriers to employment, training, and promotion.

Personnel practices do not stereotype Individuals with Disabilities or Protected Veterans or otherwise limit access to employment. We include Individuals with Disabilities and Veterans in media such as college publications and websites.

We invite employees to self-identify through an online self-service system. We invite applicants to self-identify through CUNY's online applicant tracking system.

CUNY maintains appropriate security measures for confidentiality of personal data.

We last conducted a self-identification campaign in 2018.

REVIEW OF PHYSICAL AND MENTAL QUALIFICATIONS

We ensure physical and mental qualifications are job-related and consistent with business necessity and safety. We periodically review physical and mental qualifications as they relate to employment, training, and promotion.

We review position requirements before listing a job vacancy. We review any new job qualifications or conditions to ensure they would not screen out qualified Individuals with Disabilities or Protected Veterans.

CUNY's Civil Service unit reviews job requirements prior to issuing new or revised Civil Service job descriptions. The university also provides a checklist for planning a recruiting effort with a sign-off on job requirements.

REASONABLE ACCOMMODATIONS

We provide reasonable accommodations to Individuals with Disabilities and Disabled Veterans in employment matters. As per the policy on Implementing Reasonable Accommodation and Academic Adjustments, Human Resources Directors are responsible for responding to accommodation requests by applicants, employees, contractors, visitors, and others.

The College contact for accommodation requests is:

For Faculty and HEOs:

Name: Sandra Gordon

Title: Executive Director of Instructional Staff Relations; and Labor Designee

Phone: 718-260-5353

Email: sgordon@citytech.cuny.edu

For Classified Staff:

Name: Victor Humphrey

Title: Human Resources Director – Classified Staff

Phone: 718-473-8701

Email: vhumphrey@citytech.cuny.edu

We have posted the Procedures for Implementing Reasonable Accommodation and Academic Adjustments on the internet.

<https://www.cuny.edu/about/administration/offices/legal-affairs/policies-resources/>

Information for applicants for employment is provided on the Employment Page of the CUNY Website and OFSR/Job Board Page of the City Tech Website.

There is also a link at the bottom of each job posting on <https://cuny.jobs>, which directs the candidate to our accessibility page. Applicants may also contact the Office of Recruitment and Diversity at jobs@cuny.edu.

We provide reasonable accommodations to individuals based on: disability; pregnancy, childbirth, or medical condition related to pregnancy or childbirth; religious practice; and status as a victim of domestic violence, sex offense or stalking.

While recognizing requests may be resolved through dialogue, this year we documented 5 employee accommodation requests, successfully concluded 4 times and appealed 0 times. At this time there are no outstanding appeals. There were no job applicant accommodation requests.

We also upgraded campus facilities to improve access as follows:

The most notable accessibility improvement is the newly renovated entrance to the Namm Building at 300 Jay Street. The ADA compliant project provides accessibility to all entering and exiting the

Namm Building.

The Cold Spring Harbor DNA Learning Center completed in 2021 contains ADA compliant instructional spaces, a cafeteria/gathering space, accessible bathrooms and a lobby containing exhibits.

The recently completed renovations to the first floor of the General Building (rooms G-101 & G-102) contains a fully accessible classroom for Continuing Education construction courses.

A project to renovate the bathrooms in the Voorhees Building was recently begun. The renovated bathrooms will all be ADA compliant.

We always aim to improve accessibility in all of the renovations and new construction at the College.

HARASSMENT PREVENTION

CUNY has developed anti-harassment policies and procedures concerning Individuals with Disabilities and Protected Veterans. The 504/ADA Coordinator reviews personnel practices to ensure access and non-discrimination for Individuals with Disabilities. The Chief Diversity Officer reviews practices for Veterans.

EXTERNAL POLICY DISSEMINATION

Each job vacancy announcement includes a summary of CUNY's policy.

As noted above, CUNY posts its Non-Discrimination Policy on its employment website.

CUNY's Office of Labor Relations provides an annual notice of our policies to labor unions. Our establishment (or the university, as appropriate) sends written notice of the Affirmative Action Policy to subcontractors, vendors, and suppliers, requesting compliance.

OUTREACH AND POSITIVE RECRUITING

Summary of Prior-Year Outreach

This past year, we made the following outreach efforts to Veterans and Individuals with Disabilities:

Program / Effort	Impact/Discussion
Job postings with Direct Employers, which sends job postings to various websites for, among other groups, individuals with Disabilities and Veterans; Charge meeting emphasis on these two categories	Due to limited hiring over the past Reporting Year, a direct hiring rate impact did not occur; nevertheless, impact made by positive feedback and discussions during and after the Charge meetings should lend itself to improvements in this area

Planned Outreach for 2021-2022

We plan to pursue the following next year:

Program / Effort	Goals/Expected Impact
Continue with Direct Employers and Charge meeting emphasis	Goal is to increase employee representation of veterans and individuals with disabilities

Ongoing efforts include:

- Disseminating information concerning employment opportunities to outlets reaching Disabled Veterans, other Protected Veterans, and Individuals with Disabilities
- Advertising job openings with a variety of external resources, including required reporting to the New York State Labor Department and related agencies
- Filing the annual federal VETS-4212 report
- Assisting Veterans with a passing score on a competitive Civil Service examination to apply for additional points based on Veteran or Disabled Veteran Status (as per NY State statute)
- Assisting qualified Individuals with Disabilities with to classified competitive Civil Service titles without an examination (55(a) Program).

INTERNAL POLICY DISSEMINATION

To foster positive support for Affirmative Action programs for Protected Veterans and Individuals with Disabilities, we have:

- Included policies in manuals and other publications
- Explained policies and individual responsibilities to senior management and supervisors
- Conducted training for employees involved in recruitment, selection, and promotion decision-making
- Discussed policies in employee orientation and management training programs
- Included information on the accomplishments of Disabled Veterans, other Veterans, and Individuals with Disabilities in unit communications
- Posted CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments on bulletin boards, along with the CUNY Policy on Non-Discrimination (which also covers protection from harassment on the basis of disability)
- Featured persons who are Individuals with Disabilities in handbooks or similar publications

IMPLEMENTATION RESPONSIBILITY

As part of its efforts to ensure equal employment opportunity to Disabled Veterans, other Veterans, and Individuals with Disabilities, we have designated specific responsibilities.

The President

President Russell Hotzler oversees Affirmative Action and compliance programs. The President appoints a 504/ADA Coordinator to oversee compliance and provides support and resources for Affirmative Action and compliance. The 504/ADA Coordinator and the Chief Diversity Officer report issues uncovered in interview reviews to the President who oversees appropriate responses.

504/ADA Coordinator

As 504/ADA Coordinator, Patricia A. Cody:

- Monitors 504/ADA compliance
- Reviews and resolve issues such as disputed accommodation decisions
- Maintains records of accommodation requests and outcomes
- Ensures records are stored securely and confidentiality is maintained
- Provides training as needed on issues related to Individuals with Disabilities.

Other Officials

Other College officials assume certain responsibilities to help assure compliance with regulations through working with management to fund, identify and implement accommodations and other accessibility improvements.

University Management

CUNY's Office of Recruitment and Diversity manages systems that capture self-identification data and provides data support to the campuses. The Office also administers CUNY's 55(a) program to provide opportunities in Civil Service positions to Individuals with Disabilities.

TRAINING

We assure individuals involved with recruitment, selection, promotion, disciplinary actions, training, and similar activities receive an orientation on relevant rules and regulations and the Affirmative Action Plan.

The CDO has continued with training sessions for College employees, which includes information and discussion of prohibitions regarding discrimination against Individuals with Disabilities and Veterans, and the ability of these covered applicants and employees to request reasonable accommodations.

AUDIT AND REPORTING SYSTEM

The Chief Diversity Officer audits the effectiveness of outreach and Affirmative Action programs in general and monitors recruitment practices and discrimination claims related to status as a Veteran or Individual with a Disability.

The 504/ADA Coordinator oversees audit and reporting in support of Individuals with Disabilities. She identifies and addresses barriers to access and evaluates remedial actions.

She reports her findings to the President.

OFFICE OF THE PRESIDENT

October 22, 2021

Members of the College Community:

Re: Reaffirmation of Diversity, Equal Opportunity and Affirmative Action

The City University of New York and New York City College of Technology (City Tech) are dedicated to maintaining an inclusive work and learning environment, and I write to strongly reaffirm City Tech's commitment, as well as my own, to the principles of equal opportunity, diversity and affirmative action. City Tech is enriched by the strengths of the people and perspectives represented in our institution. Accordingly, I continue to be committed to City Tech's compliance with CUNY's Policies and Procedures on Equal Opportunity, Non-Discrimination, and on Sexual Misconduct.

The Equal Opportunity and Non-Discrimination Policy states City Tech's commitment to recruit, employ, retain, promote, and provide benefits to employees and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, unemployment status, status as a victim of domestic violence, stalking/sex offenses or any other legally prohibited basis in accordance with federal, state and city laws. Additionally, as a federal contractor, CUNY/City Tech engages in affirmative action for women, minorities, individuals with disabilities, and veterans consistent with federal requirements for employees in all title groups. I also remind you that Italian Americans are included among CUNY's protected groups. You can access the Equal Opportunity Policy in its entirety, at www.citytech.cuny.edu/compliance-diversity/docs/CUNY_Policy_Non_Discrimination.pdf.

Please know that I have assigned the responsibility for the implementation and monitoring of our compliance program to the College's Chief Diversity Officer, Patricia Cody, Esq., who also serves as the 504/ADA Coordinator and the Title IX Coordinator. The vice presidents, deans, directors, managers and supervisors share responsibility for ensuring our compliance with these policies and laws. The Diversity Office is located in the Namm Building, Room 322, and Ms. Cody may be reached by phone at (718) 260-4983 or email at pcody@citytech.cuny.edu.

City Tech is proud of the diversity reflected in our student body, faculty and staff, and the College attempts to go beyond what is mandated by law to promote an atmosphere conducive to mutual respect in a harmonious learning and working environment. The goals of our efforts include:

- Creating a hospitable and respectful campus environment that embraces the diversity and multicultural heritage of those who comprise the student body, faculty and staff.
- Extending courtesy and assistance to everyone who visits or calls the campus.
- Ensuring that services on campus are student focused and assist all students to be successful both academically and socially.
- Promoting programs that increase multicultural awareness and providing courses and educational events containing positive multicultural themes.

The College pursues these goals by means of coordinated efforts involving curriculum, student support services, staff development and multicultural training, high school and community outreach, and institutional and academic research.

To promote mutual respect in a welcoming learning and working environment, it is essential that we reject behaviors that have no place on this campus. The College denounces all manifestations of racism and will not tolerate racist language or behavior, or harassment of any kind, whether verbal, physical, or written. Please know that in responding to incidents of harassment among students, staff and faculty, the College will use all appropriate resources available to it, including, if necessary, disciplinary procedures. In addition, the College prohibits hate crimes, including bias related crimes. Accordingly, City Tech encourages members of the campus community who become aware of instances of harassment or insensitivity to reach out to the Diversity Office or to their supervisors without fear of retaliation.

To ensure that the College continues to pursue the spirit and goals of diversity and equal opportunity, I urge you to persist in the active recruitment, retention, and development of a diverse workforce, and assure you that I am committed to supporting these efforts. To truly achieve an environment that holds consideration for all individuals, and sensitivity to our cultural diversity, we each need to act thoughtfully and responsibly. I again ask that you join me in this endeavor, as it is only through our combined efforts that we can ensure the hospitable and respectful campus environment that we all desire, and that is critical to our success as an educational institution.

Sincerely,

Russell K. Hotzler
President

C. JOB GROUPS / LABOR MARKET AVAILABILITY FACTORS

Appendix C Job Group Summary

This Appendix contains a summary of Job Groups.

This report lists those CUNY job groups for which the college has employees. Labor Market Availability factors (LMA) are listed for each group. LMA Factor 1 is the external Labor Market measure. LMA Factor 2 is an internal factor for employees who could be recruited or promoted into the group based on historical data for CUNY overall).

Groups with fewer than five employees are listed here but will not be included in Utilization Analysis worksheets. Individuals in the Chief Executive role are not included in this report.

Titles added to CUNY's job system in the past year are listed at the end of this Appendix. Not all titles were utilized by the College.

Further details on Job Groups and Labor Market Availability are provided in the Narrative.

Full Time Employee Count (excludes Chief Executive): 921

Labor Market Availability is an estimate used to benchmark utilization by job group. It represents the proportion of each protected group available for employment in the labor market from which CUNY recruits, internally and externally. CUNY typically reviews Labor Market Availability every other year. We utilize the following factors:

Weighting of Internal/External Labor Market

The internal labor market is university-wide and currently reflects the full-time employee population. We produce a weighted estimate based on 2016-2017 and 2017-2018 job moves of CUNY employees. We also identify typical feeder jobs and other conditions, such as permanency status.

Geography

We base geographic factors on both CUNY policy and actual hiring experience.

- National labor market for Administration 1 (Executive), Faculty–Professorial, and Faculty–Instructor.
- Two-state region (New York and New Jersey) for Faculty-Lecturer. IPEDS completion data is only available by State and recruiting is regional rather than national.
- New York State-only labor market where New York State residency is required by statute:
 - College Security Assistant
 - Campus Peace Officer
 - Campus Public Safety Sergeant
 - Security Manager.
- New York/New Jersey Metropolitan Statistical Area (MSA) for remaining job groups. A review of hires in 2018-2019 indicated 98.6% of new hires in these groups reside within this MSA. This area represents a large and highly diverse population.

Qualifications for Non-Collegiate Faculty:

- Occupational Group: Standard Occupational Classifications assigned to every job title, matched to Census Occupational Codes.
- Degree Requirements: the minimum requirement for the lowest-ranked job in each job group. These range from none through Master’s level.
- Experience: where there is a requirement for a specific number of years of experience, we used age as a proxy, utilizing US Census standards; for example, a Bachelor’s degree assumes a standard age of 21, and a Bachelor’s degree plus four years of experience would correspond to a minimum age of 25.

Qualifications for Collegiate Faculty: we assign titles to Professorial, Instructor, or Lecturer job groups according to rank and calculate availability based on a combination of degree requirement and academic discipline.

- Degree Requirements:
 - Professorial: Doctoral Degree
 - Instructor: Master’s Degree
 - Lecturer: Bachelor’s or Master’s Degree.
- Discipline: assigned to each faculty department using the US Department of Education’s Classification of Instructional Programs (CIP). On an exception basis, we calculate a blended labor market availability or make individual discipline assignments.

**E. UTILIZATION ANALYSIS (ADMINISTRATORS/STAFF, COLLEGE
LAB TECHNICIANS, FACULTY)**

Appendix E-1 Utilization Analysis -Staff Job Groups

This Appendix provides a utilization analysis for each staff job group that has five or more employees.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers for females and total minorities represent placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

Appendix E-2 Utilization Analysis - College Laboratory Technicians

This Appendix provides a utilization analysis for College Laboratory Technicians in groups with five or more employees.

Underutilization occurs where utilization of a given group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. When this number is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks represent no underutilization.

Underutilization numbers for females and total minorities represent specific placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native, and Two or More Races.

This Appendix provides a utilization analysis for Faculty for each Discipline and Job Group where there are five or more employees.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers for females and total minorities represent specific placement goals as prescribed for federal Affirmative Action Plans. Note that the official underutilization measures are those calculated for the academic discipline, which may comprise more than one department.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.
