

FAQ's

Change of Major/Re-admit Forms

If you have a change of major form or readmit form to be signed, please drop it off with Ms. Blount. Please leave your contact information and we will contact you for pick up.

Advisement/Office Hours

Please take advantage of the office hours provided by your Professors. Each Professor should have office hours posted on their syllabus. We encourage you to make an appointment with a Full Time faculty member to plan out your path to graduation.

Transfer Advisement

If you are a transfer student, please drop off your transcripts and course descriptions for review. Please leave your contact information and we will contact you to make an appointment. Transfer appointments will typically be Thursdays from 12pm-2pm.

Certificate Program

The certificate program is for individuals currently working in a CM related position with a degree in a related major such as engineering, architecture or business.

CMCE Program Information

Information about our programs can be found on the department website.
