Benefits of CUNYfirst for Staff

Staff will have a single user name and password for all CUNYfirst applications.

Staff can directly connect to CUNYfirst via the Internet from any location. **Note: CUNYfirst is not connected to the current CUNY Portal. Logins to the CUNY Portal and CUNYfirst are separate and distinct.**

**Employee Self-Service (Human Resources Module)**

This module will enable faculty and staff to:

- View their personal information and work history.

  - Provide documentation to the Department of Human Resources to update any of the following information:
    - Home/mailing address
    - Date of birth
    - Marital status
    - Name change
    - Academic or professional credentials
    - Date of hire

Please review the Employee Self Service guide before accessing your information.

Note that changes/corrections must be verified and approved by Department of Human Resources.
