

# Internship Seminar Event

Viviana Vladutescu

Assistant Professor of  
Electrical and Telecommunications Engineering Technology  
NYCCT

# Internship and Fellowship Seminar

- This event was organized for NYCCT students with the scope of introducing them to the different internships and fellowships opportunities available in the school and nation wide.

## Organizers:

Viviana Vladutescu

Gaffar Gailani

Reginald Blake

Janet Liou-Mark

Stephen Soiffer

## Sponsors

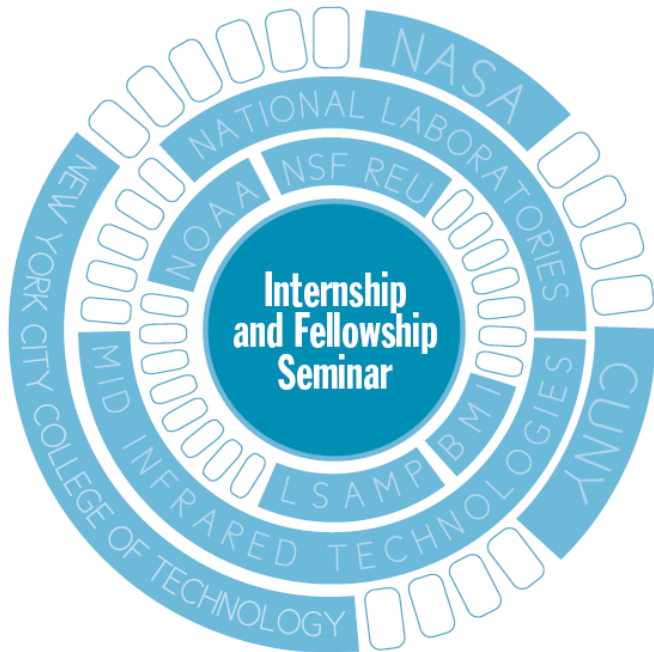

IEEE Club

Student Government Association

BMI Club

City Tech Honors

# Agenda and Flyer

Tuesday, 4/12/2011 • 12:30-1:55pm  
Atrium Amphitheatre

**Special Guest**

Frank Scalzo, Ph.D.  
Education Programs Specialist  
NASA Education Office  
Goddard Space Flight Center  
at the Goddard Institute  
for Space Studies

**Sponsors**

City Tech Honors Scholars  
BMI  
*Professors*  
Viviana Vladutescu  
Gaffar Gaillani  
Janet Liou-Mark  
Reginald Blake  
Steve Soiffer

## Agenda

12:30pm BNL movie

12:40pm Opening remarks: Dean Pamela Brown

12:45pm NASA Internships: Dr. Frank Scalzo,

1:05pm NASA CIPAIR, etc: Gaffar Gaillani

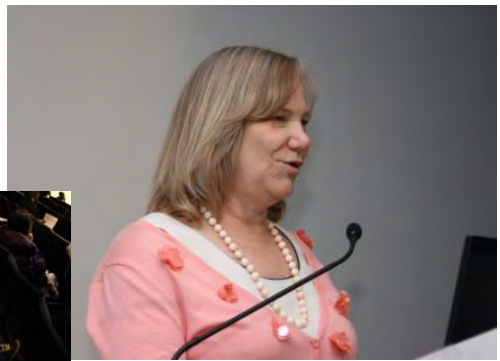

1:15pm National Labs, MIRTHER: Viviana Vladutescu

1:25pm NOAA Crest REU, BMI, LSAMP: Reginald Blake

1:35pm: Capstone workshop: Janet Liou-Mark

1:45pm: Questions and Answers

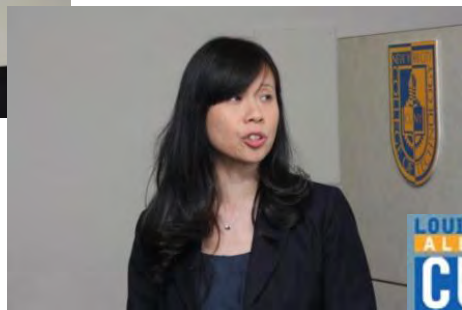

1:55pm Seminar Adjourned

 **ENERGY.GOV**

**National Laboratories and Technology Centers**

 **National Science Foundation**  
WHERE DISCOVERIES BEGIN

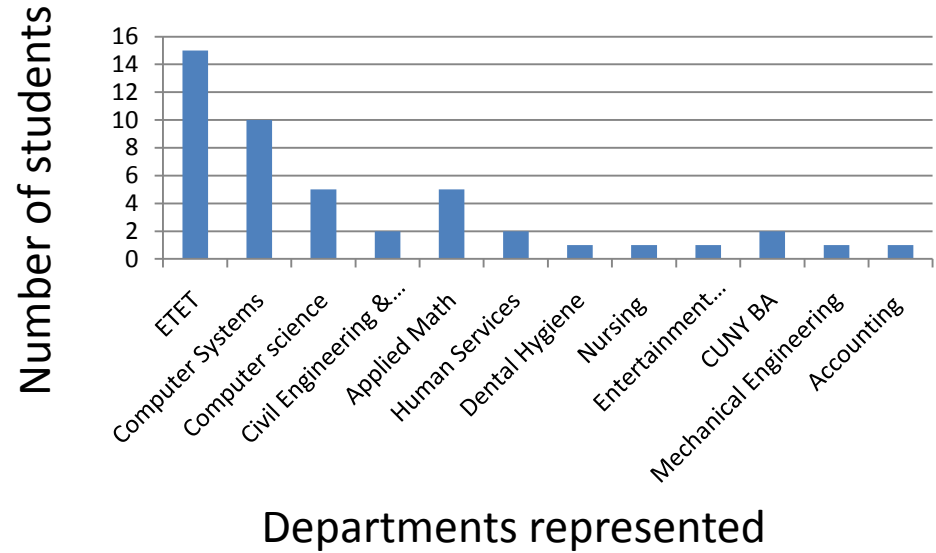

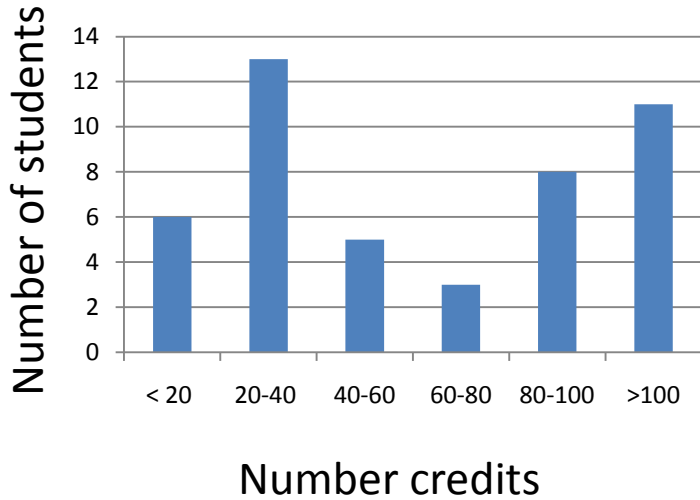

**LOUIS STOKES ALLIANCE**  
**CU NY**  
FOR MINORITY PARTICIPATION

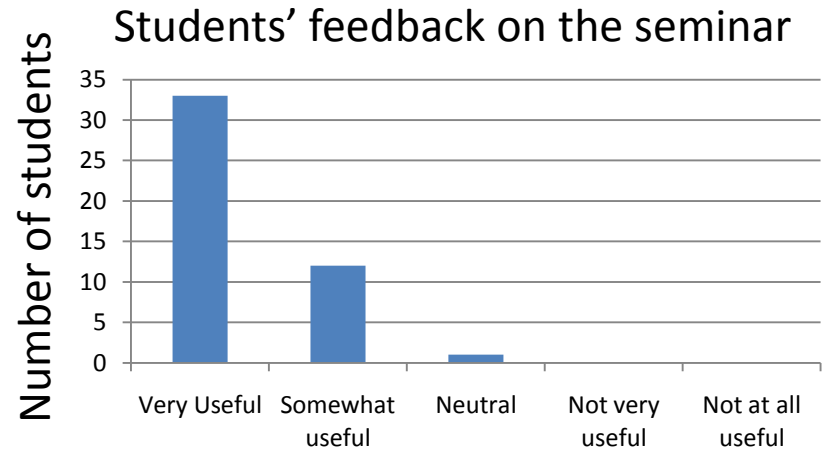

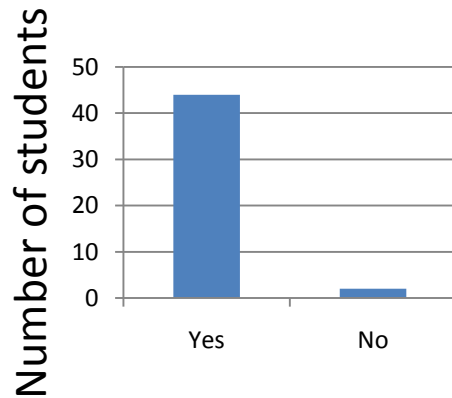

# Statistics

- Total number of students attending the seminar was 66 out of which filled in the questionnaires
- The departments represented were:
  - Electrical and Telecommunications Engineering Tech.
  - Computer Systems Engineering Tech.
  - Civil Engineering and Construction Management
  - Computer Science
  - Mechanical Engineering Tech.
  - Entertainment Tech.
  - Liberal Arts- Applied Mathematics
  - Human Services
  - Dental Hygiene
  - Accounting
  - Nursing
  - CUNY BA

# Statistics Cont'd

Students interested in participating in the second session of the internship Seminar scheduled for November 17<sup>th</sup>, 2011

# Reflections

- “Thought that this was very enlightening. Never knew there were so many available opportunities” ARR
- “This opportunity is extraordinary incredible. I look forward to applying” SL
- The workshop (seminar) was really informative. I look forward to the second seminar. MD
- “I was impressed that there are so many opportunities that I didn’t know of and that are available for me to apply” HL
- “The presentation was very informative and the speakers were very organized and had great energy. I hope I am able to join a internship opportunity! Thank you for organizing this event!” KN
- “This is a lot of information that was presented. There hopefully will be workshops as indicated that will develop the interest sparked today. “ AA
- “Presentation was outstanding. Need to have more of these presentations” Staff
