RE: Course Management (Session 1S: June 1 – June 28 & Session 1L: June 1 – July 5)

As we begin the Summer Session 2017, I would like to remind you of the importance of distributing specific information to your students in writing during the first class meeting for every course you are teaching.

As a minimum, every student should have a course syllabus, electronically or on paper, that provides:

- course number, title, and section number
- instructor's name
- required text(s) and any other required items
- topics to be covered
- required and recommended readings and other major assignments
- instructional objectives that incorporate assessment measures and techniques
- clear statement about grading policies including policy for plagiarism
- attendance policy
- office address, telephone number, email, and office hours

Instructors find that providing this information can dramatically reduce grade disputes.

eClass Folders -- Be sure to enter the students' attendance at each class session and record all grades. Before you turn in your eFolder(s) at the end of the term, fill in the same information you gave your classes at the first class meeting regarding the nature and weight of each component of the final course grade, and check to see that all grades used to determine the final grade are recorded in the eFolder. Please see the separate memo regarding changes to CUNY's grading policy. **eClass Folders are due by 12:00 noon on Tuesday, JULY 11 to your department.**

Final Grades--Final grades are submitted electronically via CUNYfirst. Final Grade rosters for **Summer Session 1S** will be available beginning **Monday, July 3** and must be submitted no later than midnight of **Monday, July 3, 2017**. Final grade rosters for **Summer Session 1L** will be available on **Monday, July 10** and must be submitted no later than midnight of **Monday, July 10, 2017**.

Cancellations, change of location, field trips--Finally, I remind you that class meetings are governed by state regulations. **No class may be cancelled without prior notification of the department chair and, in the case of evening or weekend classes, the Evening Office (718.260.5565 or evesummersessions@citytech.cuny.edu).** Instructors should not relocate classes to a new room without first receiving permission from the Registrar's Office. For activities such as trips to the library or field trips, you must inform the department in advance and post a sign on the classroom door indicating the temporary location, in case an emergency situation arises. Please be aware that every field trip requires an approved field trip form. More information about field trips can be found on the Faculty Commons website under [Student Travel Overview](#).

Thank you for your assistance. Best wishes for a successful semester.
