

How to use “What-If” feature?

Once you are logged into [DegreeWorks \(Sign In\)](#), please follow these steps below to learn about “what-If” feature of DegreeWorks.

STEP 1: On the top of the page under the student card, click the “What-If” button.

The screenshot shows the "Degree Audit" interface. At the top, there are search filters for Student ID, Name (Test, Test), and Degree (Bachelor of Arts). Below these are various audit details such as Major (Economics (BA)), Concentration (None), Minor (None), Level (Undergraduate), Classification, Preferred Name (None), Transfer Credits (72.00), Academic Status (None), Student Group/Indicator ((GROUPS)(SI)), and Matriculation Term (None). A navigation bar at the bottom of the top section includes "Academic" and "What-If" (highlighted with an orange box). A "View historic audit" dropdown is also present. The bottom section shows "Degree progress" with a "Format" dropdown set to "Student View", two progress indicators (98% for Requirements and 100% for Credits), a "Cumulative GPA" of 3.5, and a "PROCESS NEW" button.

STEP 2: Make a selection of a proposed **degree** prior to selecting a major. Please also select an appropriate **catalog year**.

What-If Analysis ^

Use current curriculum

Program

Catalog year *
2022-2023 Undergrad

Degree *
Bachelor of Arts

Level *
Undergraduate

Areas of study

Major * Major catalog year

Minor Minor catalog year

Concentration Concentration catalog year

Additional areas of study

STEP 3: Select a proposed major (and a concentration, if one is required for the major). Please also select an appropriate catalog year.

What-If Analysis ^

Use current curriculum

Program
