

# Inspire Young People! Teach Math!

## Did you know?

Teachers rate their lives better than all the other occupation groups, trailing only physician. GALLUP

## Did you know that?

- In addition to student loan forgiveness programs, the **TEACH grant** provides stipends for prospective math teachers?
- Most teaching jobs have better **retirement benefits** than private industry?
- You can **get a job almost anywhere in the U.S.** especially in a high needs school as a math teacher?
- Starting **salary is \$65,000**, and mid-career teacher salaries range between **\$85,000 and \$100,000**?
- Behind every advance in medicine or technology is a teacher who left a **lasting impact**?
- Teachers like having the **summers off** and the ability to pursue other opportunities like hobbies, travel, enjoy some down time, or taking other summer jobs like online teaching, tutoring, or counseling?

**Become a Math Teacher. Join the City Tech Mathematics Education Program!**
