

Department of Business

Business Minor

The required sequence of courses for the **NEW Business Minor** provides an adequate preparation for general business practice and a fundamental understanding of the key concepts that all businesses share.

“Minor in Business” will appear on student transcript.

There is **no additional cost** for the B-Minor. All full-time 4-year degree candidates are eligible. Any student taking at least 12 credits towards their 4-year degree can take up to 18 credits per semester and retain their TAP and other financial aid. Students can also complete the Minor with Summer Session courses, and many of the Minor requirements also fulfill other *City Tech degree requirements (see below).
