Date(s) of Observation _____

Online platform and/or online environment (i.e., Blackboard, OpenLab)

Brief Summary of Material Viewed

This form is to be used only when evaluating the online portion of an online or hybrid course.

Please complete each item. This report will be returned unless each category contains supporting documents. Use additional pages if necessary.

**FOR HYBRID AND ONLINE COURSES: observation of online course components is required;
observation of a face-to-face class meeting is optional.**

1. COURSE DEVELOPMENT AND ORGANIZATION

Includes instructor’s ability to develop and organize material, including the course syllabus; to create an easily navigable and informative course site and/or other online environment; and to require students to spend adequate time on task through well-conceived activities that foster understanding of the course material.

Excellent

Very Good

Satisfactory

Unsatisfactory

Comments:

2. COMMUNICATION

Includes instructor's ability to project a professional presence online; to communicate clearly; to establish a rapport with students; and to establish a supportive, well-managed online learning environment by providing frequent announcement, clear instructions and adequate information for students to complete activities assignments.

Excellent

Very Good

Satisfactory

Unsatisfactory

Comments:

3. SUBJECT MASTERY

Includes instructor's ability to demonstrate subject mastery through the use of a web-based course platform and/or other online environment; to present subject matter effectively; to use proper terminology; and to incorporate applicable, up-to-date resources and content.

Excellent

Very Good

Satisfactory

Unsatisfactory

Comments:

4. STUDENT-INSTRUCTOR INTERACTION

Includes instructor's ability to interact productively with students (including appropriate questioning of students and recognition of their contribution) within a web-based course platform and/or other online environment; to communicate with students online through discussion posts, blogs, wikis, email and/or synchronous means of communication, such as chat; and to provide timely and effectively feedback, as specified on the syllabus.

Excellent
