New York City College of Technology

Position Vacancy

Title	Lecturer—Computer Systems Technology (Adjunct Conversion Line)
Payroll Title or Level	Lecturer/ Lecturer Doctoral Schedule
Department	Computer Systems Technology
Salary	Commensurate with education and experience.
Closing Date	March 31, 2017

Position Description and Duties

Responsible for teaching, academic advisement, guidance, committee and departmental assignments. Participate in department and college service.

Qualification Requirements

Eligibility for this position is limited to candidates who meet the following criteria:

- Must have taught as an adjunct in the department to receive the line or have taught a related course in a different department at City Tech in at least 14 of the 18 most recent semesters (excluding summer) preceding the Fall 2017 semester;
- And in at least 7 of those 14 must have taught 6 hrs. or more;
- Sub service contiguous with adjunct service counts;

A master's degree or higher in computer science or related fields is required, as are a record of successful teaching, demonstrated ability to interact with students in a multi-cultural environment, and consistent performance of administrative duties. Excellent communication skills in both written and spoken English are expected. Knowledge of use of instructional technology and electronic resources for instruction is important. Candidates with expertise in innovative pedagogy are highly desirable. Experience in grant proposal writing or curriculum development, or knowledge of cloud computing and cyber security is a plus.

How to apply
