E. ARTICULATION AGREEMENT FOLLOW-UP PROCEDURES**1. Procedures for reviewing, updating, modifying or terminating agreement:**

When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments or programs, selected by their Chairpersons and program directors.

2. Procedures for evaluating agreement (i.e., tracking the number of students who transfer under the articulation agreement and their success):

Upon the request of the Queensborough Community College (QCC), each year New York City College of Technology (City Tech) will provide the following information: a) the number of QCC graduates who applied to the program; b) the number of QCC students who were accepted into the program; c) the number of QCC students who enrolled to the program; d) the aggregate GPA of these enrolled students at City Tech.

3. Sending and receiving college procedures for publicizing agreement (e.g., college catalogs, transfer advisers, websites, etc.):

- This articulation agreement will be publicized on New York City College of Technology website, and the Queensborough Community College website.
- Transfer advisers at QCC will promote this agreement with eligible students.

Effective Date: SPRING 2019
