E. Articulation Agreement Follow-Up Procedures

1. Procedures for reviewing, updating, modifying or terminating agreement:
Bronx Community College and New York City College of Technology will review implementation of the agreement every four years, or as soon as a program has undergone revisions, to ensure that students are adequately informed of the program and to identify issues requiring attention. When either of the degree programs involved in this agreement undergoes a change, the agreement will be reviewed and revised accordingly by faculty from each institution's respective departments or programs, selected by their Chairpersons and program directors.

2. Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success:
Each year New York City College of Technology (City Tech) will provide Bronx Community College (BCC) the following information: a) the number of BCC students who enrolled; d) the aggregate GPA of these enrolled students at City Tech.

3. Sending and receiving college procedures for publicizing agreement, e.g. college catalogs, transfer advisers, Websites, etc.:
This articulation agreement will be publicized on the Bronx Community College's and New York City College of Technology websites. Transfer advisors at BCC will promote this agreement with eligible students.

Effective Date: Fall 2018
