60 = Total Transfer credit

60 = Total additional required coursework for BS degree

120 Total

D. Articulation Agreement Follow-up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating this agreement:

When either of the programs undergo any changes, this articulation agreement will be reviewed and revised as necessary by one or two members of the faculty of each institution's department, selected by their respective Chairpersons, to represent them.

2. Procedures for evaluating agreement (i.e., tracking the number of students who transfer under the articulation agreement and their success):

Upon the request of the Kingsborough Community College (KCC), each year New York City College of Technology will provide the following information: a) the number of KCC graduates who applied to the program; b) the number of KCC students who were accepted into the program; c) the number of KCC students who enrolled to the program; d) the aggregate GPA of these enrolled students at NYCCT

At the end of semester the various representatives of each institution will review the performance of the transfer students to determine if adjustments to, or termination of the articulation agreement is warranted.

3. Sending and receiving college procedures for publicizing the agreement (e.g., college catalogs, transfer advisers, websites, etc.):

- This articulation agreement will be publicized on New York City College of Technology website, and the Kingsborough Community College website.
- Transfer advisers at KCC will promote this agreement with eligible students.
