

New York City College of Technology
City University of New York

ARTICULATION AGREEMENT

A. Sending and Receiving Institutions

Sending College: Kingsborough Community College (KCC)

Department: Nursing

Program: Surgical Technology

Degree: Associate in Applied Science (AAS)

Receiving College: New York City College of Technology (NYCCT)

Department: Health and Human Services

Program: Health Services Administration (HSA)

Degree: Bachelor of Science (BS)

B. Admission Requirements for Senior College Program

Admission requirements for Bachelor of Science in Health Services Administration:

An associate degree in a health science program of study with a minimum grade point average of 2.5, and appropriate Licensure or Certification in hand or pending;

OR

An associate degree from a program that has an articulation agreement with the NYCCT HSA program with a minimum grade point average of 2.5;

OR

An associate degree with a minimum grade point average of 2.5, and at least two years of alternative work experience in a health care setting or related field as determined by the HSA program coordinator.

C. Articulation with the Kingsborough Community College's Associate in Applied Science degree in Surgical Technology with the New York City College of Technology's Bachelor of Science in Health Services Administration is based upon the following:

- Students wishing to transfer under this articulation agreement must have obtained their associate degree and met the minimum cumulative 2.5 GPA requirement.
- Total transfer credits granted toward the baccalaureate degree is 60

- Total credits required for the B.S degree in Health Services Administration is 120

Course Equivalences and/or Transfer Credit Awarded

Kingsborough AAS in Surgical Technology - Transferred credits will be applied to the Baccalaureate degree as professional credits, course specific transfer credits and electives. Students will meet with a NYCCT advisor who will review their transcripts to ensure appropriate placement within the program.
