Introduction

Report time: **academic year 2022-2023 (Fall 2022, Spring 2023)**

Three-level academic assessment:

- General Education Assessment (college-level)
 - Assessed on pre-planned college wide schedule
 - three-year cycle on 14 competencies/student outcomes
- Program Assessment (program-level)
 - All degree programs (associate + bachelor's)
 - Assessed on departmental schedule, 3-year cycle maximum (recommended)
- Critical Course Assessment (course-level)
 - At least one course per department
 - Assessed on departmental schedule, 2-year cycle maximum (recommended)

Assessment portal: <https://www.citytech.cuny.edu/aire/assessment.aspx>

Assessment activities:

- Gen Ed assessment on four competencies: data collection in Fall 2022 and AEI (Analysis of data, evaluation of report, drafting of improvement plan) submission in Spring 2023:
 - Oral Communication
 - Quantitative Literacy
 - Reading
 - Writing
- Submit critical course assessment annual updates in Fall 2022
- Submit program-level assessment annual updates in Spring 2023

Assessment system updates:

- AIRE office continued to further streamline the academic assessment system.

Highlights

- In sum, 27 courses were assigned for Gen Ed assessment data collection in Fall 2022, 19 courses submitted data on time, and 9 courses further submitted AEI (Analysis of data, evaluation of report, drafting of improvement plan) based on their assessment results in the following Spring 2022. Accordingly, the data submission rate was 70.4%, and AEI submission rate was 47.4% college wide.
- In total, 554 students from 19 courses college-wide have been evaluated on four Gen Ed competencies in Fall 2022.
 - Oral Communication (5 courses, 156 students)
 - Quantitative Literacy (7 courses, 146 students)
 - Reading (3 courses, 84 students)
 - Writing (4 courses, 84 students)
- Areas did not meet faculty criteria college-wide (recommended target percentage of students who met or exceeded faculty criteria is 70%):
 - Quantitative Literacy: Communication (61%)
 - Writing: Communication (60%), Format (69%), Language (55%)
- Regarding program assessment, 25.0% (15 out of the 60 active degree programs) have submitted their assessment status via AIRE's online program assessment annual update form in Spring 2023. Additionally, four (4) completed reports were received.
- Regarding critical course assessment, there are 46 active and 16 inactive critical courses across 28 departments. In sum, 8 out of the 46 active courses (17.4%) have submitted their assessment status via AIRE's online critical course assessment annual update form in Fall 2022. Additionally, 3 reports received (2 completed, 1 partial/other).

Note. Code for abbreviation: DC = Data Collection; AEI = Analysis of data, evaluation of report, drafting of improvement plan; II = Implement of improvement; CA = Continue improvement strategies & communication about next data collection. One cycle = DC + AEI + II + CA.

Focus on the two semesters in academic year 2022-23: Fall 2022 and Spring 2023.

- Data collection in Fall 2022 on four competencies
- AEI submission in Spring 2023 after data collection
