# **CUNY TRUSTEE**

## **Mayra Linares-Garcia**

Member, Board of Trustees  
The City University of New York

Mayra Linares-Garcia is a skilled public affairs and communications strategist with more than 15 years of experience across all levels of government.

As the Vice President of Public Affairs and Communications for Liberty Coca-Cola Beverages, she is proud to be a leading voice that bridges communities and their leaders with one of the world's most recognizable brands. Mayra is responsible for enhancing relationships and generating results among local organizations, business owners and elected officials—all to help the public better understand Liberty Coca-Cola Beverages' commitment to the community.

Mayra is a current Trustee of The City University of New York's (CUNY) Board, where she is committed to making CUNY a college system accessible to all New Yorkers. Along with her colleagues in early 2019, she assisted in appointing the first Latin-American CUNY Chancellor.

In 2011, Mayra was appointed by Governor Andrew M. Cuomo as the Director of Latino Affairs where she advocated for issues that impacted Latinos from access to education, affordable housing and health and employment. In this role, she helped established the New York State Office of Trade and Tourism in Puerto Rico.

Mayra was also the Founder and CEO-president of the MayLin Group. Inc., a public affairs & community relations firm that specialized in corporate and community partnerships. She also served as a Democratic District Leader for the 72nd Assembly District from 2001 until 2011.

Mayra graduated from Marymount Manhattan College with a B.A. in Political Science and Community Leadership. She is a Latina of Dominican and Puerto Rican descent originally from Washington Heights and currently lives in the Marble Hill neighborhood of the Bronx with her husband and three children, her greatest inspiration.

Ms. Linares-Garcia is a member of the Board's Committee on Facilities, Planning and Management and the Committee on Student Affairs and Special Programs.

## KEYNOTE SPEAKER

### **Pascale Sablan, FAIA, NOMA, LEED AP**

Associate Principal, Adjaye Associates  
Global President, NOMA

Pascale Sablan is a visionary architect, activist, and leader who has dedicated her career to making the built environment more equitable and just. With over 15 years of experience in the field, Pascale is a trailblazer who is breaking barriers and inspiring the next generation of architects.

As an Associate Principal at Adjaye Associates, Pascale has been a key member of the team for numerous projects around the world. Her work is characterized by a commitment to excellence, innovation, and sustainability, and she has been recognized as one of the most influential architects of her generation.

In addition to her work as an architect, Pascale is the founder of Beyond the Built Environment, a non-profit organization that seeks to empower women and people of color in the architecture industry. Through a variety of initiatives, including an annual conference and a mentorship program, the organization provides opportunities for education, mentorship, and professional development.

Pascale is also a leader in the National Organization of Minority Architects (NOMA), serving as the Global President of the organization. In this role, she is working to promote diversity and equity in the architecture profession and to ensure that the voices of underrepresented communities are heard and valued.

Pascale's ultimate goal is to realize a just world, where everyone has access to the benefits of good design. She believes that architecture has the power to shape our lives and that by promoting diversity and equity in the profession, we can create spaces that are more inclusive, accessible, and welcoming for all people.

Pascale's work has been recognized by some of the most influential people in the world, including Oprah Winfrey and Barack Obama. Oprah featured Pascale on her Future Rising platform for Black trailblazers, describing her as a "powerhouse woman" who is "actively changing history." Obama has also praised Pascale's advocacy work, saying that "she is making a real difference in the world by bringing visibility and voice to the issues concerning women and BIPOC designers."

Pascale has been featured in a variety of publications, including the New York Times, Forbes, and NPR. In a profile in Forbes, she was described as "the powerhouse woman... actively changing history with a simple mission: women and designers of color must claim and be credited for their contributions to the built environment." In an interview with NPR, Pascale emphasized the importance of the connection between the professionals conceiving and constructing our environments and the people they should serve.

Pascale's impressive career and advocacy work make her an inspiration to architects and activists around the world. Her commitment to diversity, equity, and justice is a powerful reminder of the potential of design to create a better world for all people.

## Aaryan Manoj Nair '23

### Bachelor of Technology, Mechanical Engineering Technology

Aaryan Manoj Nair, valedictorian of the class of 2022-2023, is graduating summa cum laude with a Bachelor of Technology in Mechanical Engineering Technology. Aaryan grew up in Dubai, where he worked in environmental advocacy and was part of several environmental cleanup drives. Growing up surrounded by many different cultures inspired him to discover what the world had to offer, so in Spring 2020 Aaryan decided he would continue his studies abroad and, after researching Mechanical Engineering programs in New York—an equally cosmopolitan city—he decided to enroll at City Tech.

Aaryan took his first foray into research while at City Tech, conducting research in the Department of Mechanical Engineering's Energy and Environmental Simulation Laboratory and Composite and Biomaterials Lab (CBML), where he was mentoring younger college and high school students by his last year.

In 2021, Aaryan received the prestigious American Society of Mechanical Engineering's New York Metropolitan Scholarship, given annually to one student in the New York Metropolitan area for exceptional academic performance. He was also the recipient of the 2022 Belle Zeller Scholarship, for exceptional community service. Aaryan served as a Civic Innovation Fellow in the Office of the Manhattan Borough President, and as Secretary for the Industrial Design Club from 2022 to 2023.

Aaryan recently joined Paul Castrucci Architects as an Energy Analyst. In the future, he strives to be at the crossroads of environmental engineering and public policy, where he hopes to influence a larger community to make environmentally conscious decisions. He feels a profound sense of privilege and gratitude for the opportunities he received at City Tech and affirms that education shouldn't be considered a destination, but rather a lifelong journey.

# **SALUTATORIAN**

## **Paola Ash '23**

### **Bachelor of Science, Paralegal Studies**

Paola Ash, salutatorian of the class of 2022-2023, is graduating summa cum laude with a Bachelor of Science in Paralegal Studies. Paola was born in Medellin, Colombia, where she experienced a difficult childhood, and left at the age of 22 to live in the United States on her own. Upon arrival in the US, she was initially unable to pursue her academic dreams, due to the language barrier and economic challenges. However, she persevered, working various jobs and studying English on her own at night. Years later, she was able to enroll at The Borough of Manhattan Community College (BMCC), where she obtained an Associate Degree in Communication Studies, was inducted into the Phi Beta Kappa Honor Society, and graduated with honors. Her fascination with law prompted her to enroll in the Paralegal Studies program at City Tech.

Studying at City Tech enriched Paola with the knowledge of procedural and substantive aspects of American jurisprudence. She also learned the skills to conduct professional legal research and writing. Paola recently completed an internship in the housing department at Brooklyn Legal Services, a non-profit organization representing clients in housing matters with the goal of avoiding evictions. She would like to give special thanks to the Law and Paralegal Studies Department, especially Ms. Wanda DeJesus and Professors Lawrence-Lewis, Donsky, Espinoza, and Moran for the special interest they took in her academic success.

She is profoundly grateful to her husband, mother-in-law, family, professors, and peers for the encouragement they have provided throughout her scholarly path. Paola has immense gratitude for the country she now calls home, as it gave her the opportunity to work hard, achieve a higher level of education, and live in peace. She is determined to continue her legal studies and dreams of becoming a public servant in the future.
