****In-person, hybrid and remote instruction options defined on Page 2.**

Alternate Eligibility Prerequisites for Spring 2025 Applicants

For students who have not taken Regents and/or SATs, College Now will use a proficiency index to determine students' eligibility for our spring 2025 courses. We will consider a combination of students' overall HS GPAs, subject-area GPAs and/or PSAT scores for college-credit course eligibility in lieu of standardized exam scores. Therefore, if you have not taken the Regents or SATs and still wish to apply, we encourage you to submit your application, transcript and/or PSAT scores to our office for review.

Course Instruction Options

In-Person Instruction: all course meetings will be held in-person on the City Tech campus.

Hybrid Instruction: course meetings will alternate between in-person on the City Tech campus and online, remote.

Remote Instruction: all course meetings will be held on an online platform, such as Zoom or Blackboard Ultra.

Prerequisites and Course Descriptions

Prerequisites

A high school transcript must be submitted with each application. Eligible students will demonstrate: Strong record of attendance; no scheduling conflicts during the spring 2024 semester and other requisites as noted below. For admissions to College Now college credit courses students must be **in good academic standing at their home schools (GPA 80+)** and have a good record of attendance. The absence of Regents, SAT or ACT exam scores cannot be used to deny a student admission.

Admission to Math only:

Students must have

1. A high school math GPA of 85+ **AND** completion of Algebra 2 course
OR
2. Scored 70+ on Algebra 2/Trig Regents
OR
3. Completed MAT1275 (College Algebra & Trig) with College Now
