# Alternate Eligibility Prerequisites for Fall 2022 Applicants

In response to the NYS Board of Regents' decision to diploma testing requirements due to the coronavirus pandemic, College Now will use a proficiency index to determine students' eligibility for our fall 2022 courses. We will consider a combination of students' overall HS GPAs, subject-area GPAs and/or PSAT scores for college-credit course eligibility in lieu of standardized exam scores. Therefore, if you have not taken the Regents or SATs and still wish to apply, we encourage you to submit your application, transcript and/or PSAT scores to our office for review. Please be advised that we will not consider any students with overall GPAs under 80%.
