# Alternate Eligibility Prerequisites for Spring 2024 Applicants

For students who have not taken Regents and/or SATs, College Now will use a proficiency index to determine students' eligibility for our spring 2024 courses. We will consider a combination of students' overall HS GPAs, subject-area GPAs and/or PSAT scores for college-credit course eligibility in lieu of standardized exam scores. Therefore, if you have not taken the Regents or SATs and still wish to apply, we encourage you to submit your application, transcript and/or PSAT scores to our office for review.
