

New York City College of Technology

The City University of New York
Department of Dental Hygiene, A701E
285 Jay Street, Brooklyn, NY 11201-1909

Agreement between New York City College of Technology Dental Hygiene department and Clara Barton High School Dental Assisting Program Valid 4/2021 to 4/2026

In consideration of graduating from the Clara Barton High School Dental Assisting Program and passing the National Dental Assisting Certification Examination in Radiology Health and Safety, the Dental Hygiene Department of New York City College of Technology agrees to grant the student two credits for DEN 1218/1218L once said student meets the following criteria: The student:

- Must be accepted into the Clinical Dental Hygiene Program at New York City College of Technology, no later than one year following graduation from Clara Barton High School
- Must pass a *clinical radiology proficiency examination by 80%, conducted by the radiology faculty
- Must audit DEN 1218/1218L (The extent of attendance to this course will be determined by the radiology faculty based on the proficiency exam at the beginning of the student's acceptance to the Clinical Dental Hygiene Program.)

*This exam will demonstrate knowledge and experience in dental radiology.

Upon successful completion of the proficiency exam and auditing of DEN 1218/1218L, the student will receive two credits for DEN 1218/1218L in the Clinical Dental Hygiene at New York City College of Technology.
