SUMMER FINANCIAL AID @ CITYTECH

Summer Terms Financial Aid:

Eligible students can receive additional Federal Pell Grant for summer terms within the academic year. The program is known as Year Round Pell and students may receive a Pell Grant for up to 150 percent of their scheduled award.

Summer Pell Grant:

If eligible, the additional Pell funds will enable you to enroll in Summer courses at reduced tuition or tuition free.

Students taking less than 6 credits during the summer, may be eligible for a Pell Grant award if they have filed the **2025-2026 FAFSA**, are Pell eligible, and have remaining Pell Lifetime Eligibility Usage (LEU) left.

Eligibility Requirements:

To be eligible for a summer Pell Grant, you must:

- Have completed a FAFSA
- Have completed unresolved TASK listed on your CUNYfirst TO DO LIST
- Be Pell Grant eligible
- Enroll in summer classes
- Enroll at least 6 credit hours
- Be meeting Satisfactory Academic Progress (SAP)
- Have lifetime Pell Grant eligibility remaining

Minimum Credits for Summer Pell:

To earn your remaining Pell Grant from your 2024-2025 FAFSA you **have to be registered for at least six credits** during the summer. This is known as Year Round Pell.

If you are planning on **taking less than six credits** during the summer your Summer Federal Pell grant award will be determined based on your 2025-2026 FAFSA data, therefore **we encourage to file your 2025-2026 FAFSA**.

How to Apply:

If you satisfy the eligibility requirements and would like to be considered Summer Pell Grant, please complete the following steps as soon as possible:

- Make sure you file your 2024-2025 and 2025-2026 FAFSA
- Complete your Student To-Do List as indicated on your CUNYfirst account.
- Enroll in a Summer Session course that is required for your degree.
- Don't forget to follow-up with our office before the 1st day of class to confirm your eligibility

Lifetime Pell Eligibility Usage (LEU):

The maximum time frame that students may receive a Pell Grant is equivalent of 12 full-time semesters or 600 percent. Summer Pell awards will apply towards - the Lifetime Eligibility Used (LEU). One full-time semester of a Pell award is equal to 50 percent.

Frequently Asked Questions:

Do I Need to Submit a Summer Pell Form in Order to be Eligible?

No. Year Round Pell does not require a separate form, it only requires that you file a FAFSA, have an eligible SAI, meet all previously mentioned eligibility requirements.

If I take only one class or fewer than six credits this summer, can I still receive a Pell Award?

You can enroll for fewer than six credits and still get a Pell grant award, if you have remaining Pell LEU eligibility, have filed a FAFSA, and been awarded Pell grant.

Can I take 6 credits from two different summer sessions in order to be considered half-time?

Yes, you can combine them towards the 6 credit minimum requirement for Year Round Pell.

Will summer Pell affect my 2025-26 Pell Grant or future eligibility?

It will not affect the 2025-26 eligibility amount but it will affect a student's Pell LEU (Lifetime Eligibility Used).

What happens if I drop or withdraw from my classes in the summer while receiving Pell?

Payment of a summer session Pell Grant depends on your attendance in the classes you are enrolled in. Dropping or withdrawing from classes may result in a reduction or cancellation of your Federal Pell award and result in a tuition balance owed to the college.
