## **Winter Session**

### **Winter Session:**

The Winter session is part of the Spring semester, as the Winter is not considered a stand-alone term. However, Title IV aid is available for the Winter session, and all applicable aid for the Winter session is paid during the Spring semester. The number of credits taken during the Winter will be combined with the number of credits taken during the Spring to determine the enrollment status (full-time, three-quarter-time, part-time, etc.) for the Spring semester.

Financial Aid payments for the Winter session will be disbursed during the Spring semester upon successful completion of the Winter course (s).

Students enrolled in Winter only classes may be eligible for the Federal Pell Grant if they do not enroll at a different institution for the Spring semester.

For students who receive New York State Aid or Scholarships (TAP, APTS (Aid for Part Time Study), P-TAP), be aware that State Aid does not cover Winter only enrollment.
