6th International Symposium on Space Sailing

June 5 – 9 June 2023
New York, NY USA

New York City College of
Technology
City University of New York
Brooklyn, NY 11201, USA

Dear fellow researchers,

The 6th International Symposium on Space Sailing (ISSS 2023) will take place next June 5-9, 2023. It will be held in New York City, USA and hosted by the New York City College of Technology, City University of New York.

The Symposium on Space sailing will focus on

- a solar sail that is accelerated by the Sun's light,
- a beamed energy sail,
- a magnetic sail,
- an electric sail,
- a drag sail.

The contents of ISSS 2023 will include the latest advances in space sailing which relate to the following topics:

- Concepts and designs,
 - Hardware and enabling technologies,
 - Dynamics and control,
 - Modeling and testing,
 - Mission applications and program,
- but not limited to them.

The ISSS 2023 scientific program will run over 5 days including invited lead-off talks and contributed papers together with a dedicated poster session. Posters will be made available for display for the duration of the conference.

ISSS 2023 website: <https://www.citytech.cuny.edu/ISSS2023/>

- Abstracts submission is open via ISSS 2023 website from November 21, 2022, to March 15, 2023.
- The registration is open via ISSS 2023 website from November 21, 2022, to April 5, 2023.
- The registration fee payment is open via ISSS 2023 website from December 11, 2022, to April 5, 2023.
- Paper submission is open via ISSS 2023 website from December 21, 2022, to April 5, 2023.

At present we envisage that the registration fee, including the symposium dinner, coffee breaks, reception, symposium bag and symposium T-shirt, will not exceed \$450. Discount of 50% for undergraduate and graduate students' registration will apply. Financial support has been promised by NASA and DLR.

I sincerely hope you will join us at the symposium and look forward to welcoming you at City Tech, CUNY. Please feel free to forward this invitation to others who you think might be interested. If you have questions about the symposium, please contact ISSS 2023 Scientific Secretary Elena Ancona: elena.ancona@poliba.it

We look forward to seeing you in New York next summer
Kind regards,

Roman Kezerashvili
