F, WU, and INC Grades

Grade	Explanation	Quality Points
F	Failure: F is an earned grade based on poor performance and the student not meeting the learning objectives/outcomes of the course. A 'WU' grade should never be given in place of an 'F' grade.	-
WU	Withdrew Unofficially: A grade of WU is to be assigned to students who participated in an academic activity related to the class at least once, stopped participating, did not drop the class or receive approval for an incomplete, did not otherwise officially withdraw from the course, and did not complete enough work for the instructor to be able to calculate an earned grade using the criteria delineated in the course syllabus. A 'F' grade should never be given in place of a 'WU' grade.	-
INC	Term's work incomplete (temporary grade): INC (Incomplete) should only be given by the instructor in consultation with the student when there is a reasonable expectation that a student can successfully complete the requirements of the course no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session/Term Note INC is a temporary grade awarded when the disposition of the final grade requires further evaluation for reasons other than the Procedures for Imposition of Sanctions related to the Board's Academic Integrity Policy. Transcript comments for INC grades should be added to the student record indicating the nature of the incomplete. The grade of "INC" lapses to an "FIN" grade no later than the last day of the following semester, or its equivalent in calendar time, exclusive of Summer Session/Term. Students who have officially withdrawn from a college and have these grades may be exempted from the limitations.	-
