

# Q&A With Vish Chatterji

**Engineer | Author | Entrepreneur**

**Date:** Thursday, February 27th

**Time:** 1:00 PM - 2:00 PM

**Location:** Academic Complex A-106

**Join us for an exclusive Q&A session with Vish Chatterji, an engineer, entrepreneur, internationally sought executive coach, and author as he stops in NYC on his global book tour!**

Vish Chatterji is an immigrant who has built a dynamic engineering and executive career that spans multiple industries. He is an accomplished business leader turned executive coach with a 20-year track record across the automotive, technology, and startup industries. He is recognized for his creative and strategic thinking and has led the launch of businesses in hardware, software, and cloud products across global markets.

He holds a BS in Mechanical Engineering from Northwestern University and an MBA from the University of Michigan. In addition to his business career, he has worked as an elected public health official. His extensive study of Yoga, Meditation, Ayurveda, and Vedic Astrology has allowed him to form an East-meets-West practice to help leaders maximize their potential and success.

This is a rare opportunity to gain insights from a dynamic industry leader, ask questions, and expand your professional horizons!
