

SGA Grants to Students

Administered through the City Tech Foundation

Please read carefully: The Student Government Association has donated funds to the City Tech Foundation to create a program of grants to current students. Grants of \$200 will go to 175 students, distributed proportionately to the three schools, with \$5,000 reserved exclusively for students who continue to work as essential workers during the pandemic. Grants will go out in waves, approximately one week apart. Recipients will be selected randomly. **APPLY ONLY ONCE!** All applications not selected in the first wave will be carried over into later waves. All students not selected will be notified. No student will receive more than one grant. When your application is complete, please email it to studentsuccess@citytech.cuny.edu.

If you are selected, you will receive a W-9 form with instructions about how to complete it. The form must be submitted before you can receive payment.
